

2011 Joint Autumn Meeting of
the BSCDB/BSM

“Advanced Microscopy Meets Cell and Developmental Biology”

October 22, 2011 – Antwerp

Local organizers: Jean-Pierre Timmermans, Dirk Adriaensen, Peter Ponsaerts

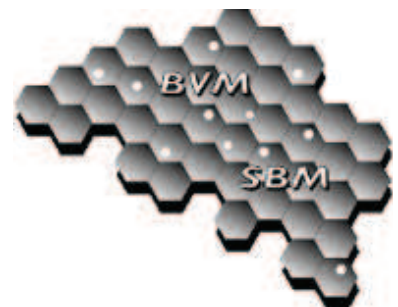

Confirmed invited speakers:

Peter Willems (*Radboud University, Nijmegen Medical Centre, The Netherlands*) on
‘Advanced microscopic visualization of mitochondrial function’

Iain Shepherd (*Emori university, Atlanta, USA*) on
‘Advanced microscopic visualization of zebrafish embryology’

Alexander Rigort (*Max-Planck-Institute for Biochemistry, Germany*) on
*‘Making cryo-electron tomography more widely applicable in cell
biology’*

Location: University of Antwerp,
Campus Groenenborgerlaan 171
2020 Antwerp
